

RECENTLY WAS INFORMED THAT IT IS BEING CONSIDERED TO REVOKE THE TELEPHONE
PRIVACY LAW. WHAT WOULD BE THE NECESSITY OF THAT? WE HAVE SO LITTLE PRIVACY
IN OUR LIVES NOW, WHY SHOULDN'T WE BE ALLOWED THIS. IS IT COSTING THE
GOVERNMENT ANYTHING? THIS LAW HAS BEEN VERY EFFECTIVE ON OUR PART. WE
USED TO RECEIVE AS MANY AS SIX (6) TELEMARKETING CALLS IN ONE EVENING.
NOW WE ARE LUCKY IF WE RECEIVE TWO (2) IN A MONTH. IT'S REALLY NICE]
ON A WEEKEND OR EVENING TO ENJOY THE NEWSPAPER, DINNER, OR A TELEVISION
PROGRAM WITHOUT ANY INTERRUPTIONS. IT'S ALSO VERY NICE TO BE ON AN IMPORTANT
TELEPHONE CALL AND KNOW THAT IF YOU ARE BEING INTERRUPTED BY YOUR CALL
WAITING, IT'S REALLY SOMEONE IMPORTANT. I KNOW IT'S NECESSARY FOR SOME
COMPANIES TO MAKE THEIR BUSINESSES THIS WAY; BUT IT WOULD BE NICE TO HAVE
A CHOICE WHO WE DEAL WITH.
